ABOUT ME

I'm a home coffee hobbyist looking to dive into the coffee industry as a barista.

What you'll get from hiring me is a humble, driven, friendly worker who is timely and dependable. I understand that you have to start somewhere and I'm willing to put in the work and learn to get better at the job.

I'm available to work both weekdays and weekends.

PROFESSIONAL EXPERIENCE

Software Engineer, Township April 2022 – Nov. 2023

- Worked closely with a team of four to develop software products and features

Cook/Dishwasher, Taiko Sushi and Noodles Feb 2018 – July 2019

- Worked together with the front and back house staff to receive and cook orders accurately and efficiently
- Cleaned kitchen equipment, bathrooms, swept and mopped floors, prepped kitchen for next day during closing shift
- Washed, dried, and reorganized incoming dishes with a quick pace
- Handled commercial grade food equipment including dishwasher, stoves, burners, rice cookers.
